Product #: 69713, 69714, 69715, 69716, 69717, 69720, 69723, 69718, 69719, 69727, 69700, 69701, 69722, 69702, 69721, 69735, 69736, 69737, 69703, 69704, 69705, 69705, 69725, 69706, 69707, 69708, 69726, 69712, 69709, 69710, 69711, 69724, 69728, 69729, 69730, 69739, 69690, 69691, 69692, 69731, 69732, 69733

Connect pipe in seconds!

- LynCar EASYGRIP Fittings can be used on copper, CPVC, or Pex piping systems.
- No soldering required, simply push the fitting onto the pipe.
- Can be used on hydronic heating or portable water systems
- Certified to 200 psi and 200 degrees Fahrenheit (93 degrees celsius)

To Install:

Mark the pipe about 1" from the end, to use as a guide

Push the pipe into the EASYGRIP fitting, twisting it until it locks into place.

To Remove:

Using a LynCar EASYGRIP disconnect tool, push it against the fitting, and the collar will release. Pull the pipe out firmly with a twist.
