

Plus™ Classic Flapper

LynCar # 50CR

Product Description

The Korky Plus Classic Flapper is designed to stay open longer to fit old 5 and 7 GFP toilet models. The flapper collar allows for attachment to brass flush valves and can be removed to fit plastic flush valves. The exclusive longest lasting red rubber resists chlorine, bacteria, city water treatment, hard water, and well water. Made of flexible rubber for a tight seal and easy to install, the 50CR includes: (1) Flapper and (1) Stainless Steel Chain.
