

TECHNICAL SPECIFICATION: LynCar solvent weld shower drains are designed for use with preformed shower stall bases. The drain integrates the body locknut allowing for easier installation of the body to the base.
2" schedule 40 DWV pipe solvent welds to the receptor base. Drain top 4½" stainless steel or white plastic.

FEATURES:

- Made of ABS
- Easy to install
- Fibre and rubber gaskets provide a tight seal to shower drain base
- Available with either stainless steel or white plastic strainer
